Dear WASH Champion,

**RE: INVITATION TO THE INNOVATE4WASH (I4WASH) MARKETPLACE FORUM – NAIROBI 2026**

It is with great pleasure that we invite you to participate in **Innovate4WASH (I4WASH) 2026**, Africa's premier platform championing innovation and collaboration in the Water, Sanitation, and Hygiene (WASH) sector.

The forum will be held at the **Bomas International Convention Complex (BICC) in Nairobi, Kenya**, from **28th October to 31st October 2026**.

This year's theme, "**Shaping the WASH Ecosystem: Navigating Opportunities & Building Impactful Partnerships**," reflects our strategic focus on climate resilience, bankable innovations, and inclusive impact. Anchored in Sustainable Development Goals 6 and 13, I4WASH 2026 is designed to be a marketplace of ideas and a catalyst for action.

Throughout the forum, you will experience a rich showcase of:

- **Technological Innovations:** Featuring solar-powered systems, smart water monitoring, and robotic sanitation solutions.
- **The Dutch Partner Day (Oct 29th):** A specialized day co-designed with the **Embassy of the Kingdom of the Netherlands**, focusing on B2B linkages and high-level networking.
- **Financial & Nature-Based Solutions:** Exploring public-private partnerships, microfinancing, and ecosystem-based sanitation to boost sustainability.
- **Data-Driven Decision-Making:** Leveraging AI, GIS, remote sensing, and management information systems for precision targeting and progress tracking.
- **Mainstreaming Gender in WASH:** Promoting inclusive, equitable access for all.
- **Climate Resilience & Green Economy:** Integrating green infrastructure and sustainable practices in WASH ecosystems.
- **Multi-Stakeholder Engagement:** Strengthening collaboration in service delivery, capacity building, and management.
- **Energy & Water Resource Planning:** Aligning national and local development goals.
- **Capacity Building & Skills Development:** Equipping innovators with tools to accelerate change.

The I4WASH forum is designed to be that enabling space **where partnerships are built, innovations are showcased, and actionable pathways are shaped** to bridge gaps and scale transformative solutions in Kenya and beyond.

## Nairobi 2026

**28<sup>th</sup> to 31<sup>st</sup> October 2026**    **Bomas of Kenya, Nairobi, Kenya**

Since 2017, I4WASH has showcased over **500 impactful solutions across three continents**, driving scalable partnerships, knowledge sharing, and the commercialization of WASH innovations. The 2025 forum will build on this legacy with:

1. Engaging plenaries and technical sessions led by national, regional, and international experts
2. Hands-on tools and real-world case studies
3. Strategies to strengthen the commercialization of various WASH solutions

Your investment of **KES 35,000 / 300 Euros** includes:

1. Full access to the 3-day conference, including all meals, refreshments, and resource materials
2. An exclusive coaching session on 26<sup>th</sup> October 2026
3. A chance to deliver a 7-minute pitch during the forum (presentation due by 10<sup>th</sup> October)
4. Access to the networking cocktail event on the evening of 29<sup>th</sup> October
5. Complimentary transport to three technical site visits to Naivasha on 31<sup>st</sup> October 2026 (8 am – 2 pm)

Additionally, we offer limited **exhibition booths** at a cost of **KES 50,000 / 420 Euros**. This cost covers one 3x3 tent, dressed table and chairs, and décor in your corporate colors for the full 3 days.

**Accommodation:** We have negotiated discounted rates at several hotels near the Bomas/Lang'ata area. A list of recommended partners is available upon request.

*Please note that you will need to cover your own travel, accommodation, and any additional meals or drinks outside the conference package.*
